(AND, AS APPLICABLE, TRIALWARE OR NOT FOR RESALE [NFR]
SOFTWARE LICENSE AGREEMENT FOR UNDELETE for WINDOWS)

UNDELETE

(Includes all editions of UNDELETE)

IMPORTANT-READ CAREFULLY BEFORE INSTALLING SOFTWARE

The following License Agreement (*or, as applicable, this Trialware License*) for one licensed copy applies to you. By opening the sealed packet(s) containing the software, you indicate your acceptance of the following Software License Agreement.

This is a legal agreement ("Agreement") between you (either an individual or an entity), or; as applicable, you (an ordering activity authorized to place orders under GSA Schedule 70 contracts as defined in GSA Order ADM 4800.2G as may be amended from time to time) and ConduSiv Technologies, a California corporation. By opening the sealed software packages and/or by using ConduSiv Technologies' UNDELETE for WINDOWS software, you agree to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, promptly return the disk package and accompanying items (including printed materials and binders or other containers) to the place you obtained them for a full refund.

1. GRANT OF LICENSE - This Software License Agreement ("License") permits you to use one copy of ConduSiv Technologies' UNDELETE for WINDOWS software and ConduSiv Technologies' associated user documentation ("Software") on one computer running Microsoft WINDOWS. With respect to a network, Licenses must be obtained for each computer, including the server. If you have multiple Licenses for the Software, then at any time you may have as many copies of the Software in use as you have Licenses. (Licenses can include Servers, Home, Professional, or Desktop Client editions). For users of select Microsoft Windows software, such as Windows 7, that specifically include an additional license of Windows XP for use in XP Mode, one additional license of the above named ConduSiv Technologies software product that is designed to support Windows XP is granted exclusively for use in that Windows XP Mode. The Software is "in use" on a computer when it is loaded into the temporary memory (i.e., RAM) or installed into the permanent memory (e.g., hard disk, CD-ROM or other storage device) of that computer, except that a copy installed on a network server for the sole purpose of distribution to other computers is not "in use."

Additionally, there are Undelete Desktop Client Application Licenses available with Undelete Server. Each Server is licensed for 10 Desktop Client Application Licenses. Additional Undelete Desktop Client Application Licenses are available. Undelete Desktop Client Application Licenses must be obtained for each computer connected to the Server, from which the Desktop Client accesses this program to access the Undelete server recovery bin.

HOME Edition. For software marked "Home" edition, you may install one copy of the software on up to three licensed devices in your household for use by people for whom that is their primary residence. The software may not be used for commercial, non-profit, or revenue-generating activities.

(When installed as Trialware - This Trialware Software License Agreement ["License"] permits you to install one copy of Conduvis Technologies' UNDELETE for WINDOWS software and Conduvis Technologies' associated user documentation ["Software"] on one server, workstation or personal computer running any supported version of WINDOWS.)

2. **COPYRIGHT** - The Software is owned by Conduvis Technologies or its suppliers and is protected by United States copyright laws and international treaty provisions. Therefore, you must treat the Software like any other copyrighted material (e.g., a book or musical recording) except that you may either (a) make one copy of the Software solely for back up or archival purposes, or (b) transfer the Software to a single hard disk provided you keep the original solely for back up or archival purposes. You may not copy the user documentation provided with the Software, except for your own authorized use.

3. **OTHER RESTRICTIONS** - This License is your proof of license to exercise the rights granted herein and must be retained by you. You may not rent or lease the Software, but you may transfer the Software and user documentation on a permanent basis provided you retain no copies and the recipient agrees to the terms of this Agreement. You may not reverse engineer, decompile, or disassemble the Software, except to the extent that the foregoing restriction is expressly prohibited by applicable law. If the Software is an update or has been updated, any transfer must include the most recent update and all prior versions.

3a. The UNDELETE SERVER "PushInstall" feature is intended for use only to install legally licensed copies of UNDELETE software. Any other use to install software for which you have no legal license to install is a violation of this licensing agreement and may be a violation of other software licenses. End User remains responsible for correct and legally licensed use of all software products.

4. **NOT FOR RESALE SOFTWARE** - If the software is labeled "Not For Resale" or "NFR," then, notwithstanding other sections of this license, your use of the software is limited to use for demonstration, test, or evaluation purposes and you may not resell, or otherwise transfer for value, the Software.

5. **ANTI-PIRACY and ANTI-COUNTERFEITING ASSISTANCE** - You agree to take reasonable steps to prevent the creation of illegal, counterfeit or pirated copies of this Software license and to immediately notify and reasonably assist Conduvis Technologies in handling where it may be found that illegal copies of the licensed software have been made.

6. **LIMITED WARRANTY** - Conduvis Technologies warrants that (a) the Software will perform substantially in accordance with the user documentation for a period of ninety (90) days from the date of receipt. Any implied warranties on the Software are limited to ninety (90) days. Some states/jurisdictions do not allow limitations on duration on an implied warranty, so the above limitation may not apply to you. This limited warranty is void if failure of the Software has resulted from accident, abuse or misapplication.

7. **CUSTOMER REMEDIES** - Conduvis Technologies and its suppliers' entire liability and your exclusive remedy shall be, at Conduvis Technologies' option, either (a) return of the price paid, or (b) replacement of the Software that does not meet Conduvis Technologies' limited warranty and which is returned to Conduvis Technologies with a copy of your receipt. This limited warranty is void if failure of the Software has resulted from accident, abuse, or misapplication. Any replacement Software will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer. Outside the United States, neither these remedies nor any product support services offered by Conduvis Technologies are available without proof of purchase from an authorized non-U.S. source.

8. **NO OTHER WARRANTIES-CONDUSIV TECHNOLOGIES DOES NOT WARRANT THE FUNCTIONS CONTAINED IN THE SOFTWARE WILL MEET YOUR REQUIREMENTS OR THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SOFTWARE IS WITH YOU. TO**

BECAUSE SOME STATES/JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

10. U.S. GOVERNMENT RESTRICTED RIGHTS - The Software and documentation are provided with RESTRICTED RIGHTS and constitute commercial computer software developed entirely at private expense and as defined in FAR 12.212. Use, duplication, or disclosure by the Government shall be in accordance with FAR 52.227-19, Commercial Computer Software License, or other agency data rights provisions, as may be applicable and subject solely to restrictions as set forth in DFARS 227.7202.
